

JOB OPPORTUNITIES

Are you a night-owl or enjoy a short workweek? We have the right opportunity for you.

MACKOW International is looking for individuals to be part of the team.

Mackow Industries International, a reputable and trusted solution supplier to transportation, agricultural and heavy industrial manufacturers and OEM's, is looking for WELDERS to join its team.

This position is responsible for bonding or welding metal (non-ferrous) parts together using a spot-welding gun or manual, semi-automatic, electric or gas welding equipment according to the job specifications on the work orders and blueprints.

(10) Welders

5/Eve and 5Weekend

Job Duties include but not limited to:

- Review, interpret and follow blueprints, work orders, and prototypes to determine job specifications, identify the parts or materials required, and select the welding machine required for production.
- Welds spots and/or seams according to prototype and blueprint location, size, and dimensions of the weld.
- Perform regular cleaning and maintenance duties on machines, equipment, and work area.
- Operate machines, tools, and equipment to perform simple practices such as deburring, drilling, trimming, cutting, and grinding procedures.
- Follows safety precautions and company guidelines.
- Perform other duties as required

Qualifications:

- Minimum of 1-year of welding experience
- Ability to work independently and in a team environment
- Ability to read and interpret blueprints, preferred
- Experience using fabrication using basic hand tools, power tools, and machinery
- Demonstrated ability to use measuring tools
- Good manual dexterity
- Ability to lift 50 lbs.
- Strong attention to detail and accuracy
